All prices incl. 19% VAT

### Notes:

- **The season starts on 01.10.2022 and runs until 15.04.2023** (22 units).
- A training subscription with the tennis school requires a **tennis indoor court subscription**. This is booked separately via the tennis school and is charged pro rata depending on the size of the group.
- To be able to process registrations quickly and according to your wishes, we ask you (if possible) to coordinate appointments with the desired players in advance and to pass them on to us.
- Bank transfer/cash payment is possible and will be agreed with the head coaches after registration.  
**Payment of the subscription must be made by 31.12.2022 at the latest;** in case of a later subscription during the current season, the invoice amount will be adjusted accordingly to the date of entry.  
Individual training can be invoiced separately.
- **There is no training on Bavarian public holidays and during school holidays.** During these periods, however, individual lessons can be arranged with the coaches, or the seasonal holiday program (tennis camps) can be used.
- **It is possible for other training participants to take over the training court and its costs**, provided that a homogeneous group (age/playing ability) is guaranteed. This can be clarified in consultation with the tennis schools. The respective players are responsible for compensating each other for the training costs!
- If the coach is unable to attend, a substitute coach will be provided, or the training session will be postponed and made up for at a later individual date. These lessons can also be made up in other and suitable groups with the consultation of the coaching team/parents.
- Morning lessons can be arranged flexibly at a reduced price.
- **It is not necessary to be a member of the TC Rot-Weiß Erlangen to book training!**
- Individual training must be cancelled 24 hours before the start of training for organizational reasons.
- We offer rental rackets from Head and Wilson and special conditions for equipment from our partners. Please always wear suitable shoes for the clay courts and for your safety!
- We also offer a stringing service on the course and advice on rackets and strings - just ask your coach!
- We will try to find the right offer (coach/time/group) for everyone. If it is not possible to fulfil all wishes, the coaching team will always try to find a compromise.
- Hygiene regulations are always in accordance with the current guidelines and specifications of the Federal or Bavarian Tennis Association (BTV). All coaches are vaccinated twice against Covid-19!
