at: 27.03.2023

Terms of business and notes:

- The season starts on **24.04.2023** and runs until **30.09.2023** (15 weeks/units).
- The tennis courts of TC Rot Weiß Erlangen (Ebrardstr. 30, 91054 Erlangen) are used for training. A training subscription with the tennis school requires a club membership with TC Rot Weiß Erlangen. This can be completed digitally via tc-rot-weiss.de/admission-application or via the office.
- To be able to process registrations quickly and according to your wishes, we ask you (if possible) to independently coordinate dates with the desired players in advance and to pass them on to us. Each course must be confirmed by the customer with this registration in writing (or via online registration) and is thus considered binding.
- Bank transfer/cash payment is possible and will be coordinated with the head coaches after registration. The full course/subscription fee is due upon registration; customers will receive an invoice at the beginning of the season. In case of a later subscription entry during the current season, the invoice amount will be adjusted accordingly to the entry date. Individual training can be billed separately.
- There is no training during the Bavarian school vacations. During this time, however, individual lessons can be arranged with the coaches, or the seasonal vacation program (tennis camps) can be used.
- A takeover of the training court as well as its costs by other training participants is possible, provided that a homogeneous group (age/playing strength) is guaranteed. This can be clarified in consultation with the tennis schools. The respective players are responsible among themselves for the compensation of the training costs!
- If the coach is prevented, a substitute coach will be provided, or the training date will be postponed and made up for at a later individual time. These lessons can also be made up in other and suitable groups with consultation of the coaching team/parents. Canceled lessons must be made up during the current season.
- Individual training must be cancelled 24 hours prior to the start of training for organizational reasons and cannot be refunded.
- Thanks to the new LED floodlight system, training can also be held until 10:00 p.m. in the summer.
- We offer rental and test rackets of the companies Head and Wilson for 5€ fee per training session and furthermore special conditions for equipment at our partners. Please make sure that you always wear suitable shoes for the clay courts and for your safety!
- We offer on-site stringing service on the facility and advice for rackets and strings.

For further information please contact your head coach via mail at training@tc-rot-weiss.de or directly via WhatsApp at Stefan (0171/3201711) and Lorenz (0151/50140203)!
